Referral Program: Give and Get 15

iBuyFlowers believes in sharing and our customers shape our company. Therefore, we wanted to give back to our customers, by launching a Reward Program for Referrals, Give and Get 15. Any customer that has previously ordered from iBuyFlowers is eligible to participate and can email a friend a coupon to give iBuyFlowers a try. The below Terms and Conditions apply.

- **How to Earn Referral Rewards**

An iBuyFlowers customer can earn Rewards if a referred friend uses the coupon placing their first order with iBuyFlowers. Once the referred friend places an order using the coupon and receives the order, the iBuyFlowers customer will receive a \$15 credit to be spend on their next order.

The Referral Program may not be combined with other discount codes or coupons for either the customer or the friend.

iBuyFlowers customers can invite an unlimited number of new friends. But only new friends qualify, meaning friends that have never purchased with iBuyFlowers before.

- **Multiple Referrals**

A referred friend may only use one referral coupon. If a referred friend receives coupons from multiple friends, only the friend associated with the coupon link used by the referred friend will receive the Referral Reward.

- **Redeeming Rewards**

Once a reward is available, the iBuyFlowers customer will see it in the check-out window and can simply click apply 'Use Referral Reward'.

Rewards can only be used one at a time. One reward per order. It is not possible to combine multiple rewards into one order.

- **Reward Expiration**

All Rewards must be used within 6 months of issuing. After 6 months the Rewards will expire and will no longer be valid.

- **Termination and Changes**

iBuyFlowers may suspend or terminate the Referral Program or a user's ability to participate in it at any time for any reason.

We reserve the right to suspend accounts or remove Rewards if we notice any activity that we believe is abusive or fraudulent.

- **Refund or Credits**

iBuyFlowers is not responsible for FedEx shipping delays of 1 day or less or other shipping delivery problems and can't credit if a package has been delayed beyond our control.
